

# Maribyrnong Primary School

## French Overview Term 2

### Term 2 Learning

- Year Three classes will continue with the vocabulary needed for classroom interactions including questions of help, clarification and permission, and questions and answers of introduction. We will be learning to talk about the weather, and how to express likes and dislikes in familiar topics.
- Year Four classes will be learning how to describe their homes, including the use of prepositions and conjunctions, while reviewing previously learnt classroom interactions and familiar questions and answers.
- Year Five will continue a unit of work that will extend their use of the French language by bringing previous vocabulary learning together with new grammar to create their own picture book.
- Year Six will be completing a unit of work focusing on topics that describe the life of individuals in relation to the cultural group they belong to, and will be reflecting on and explaining links between language and culture.

### How you can support learning

- Have a positive attitude towards language learning and share this with your child!
- YouTube offers many entertaining songs that assist children to learn French; students are most familiar with those of Alain le Lait.
- This year all resources used for Years 4 to 6 will be available on your child's French Google Classroom.
- There are a number of apps that allow independent learning. Duolingo is the best known and suitable for beginners.
