

Maribyrnong Primary School

Year 4 Term 2 Overview

Term 2 Learning

Welcome to the Term 2 learning for the Year 4 *Fungi* unit. This term we will be learning about sustainability. Students will explore the following three big questions:

- *What impact do humans have on the natural environment?*
- *What choices can we make to support the natural environment?*
- *What can I do to protect and preserve the environment in my community?*

Literacy activities will focus on:

- Writing information texts.
- Developing a question or topic to research.
- Spelling, punctuation, editing and grammar.

Numeracy activities will focus on:

- Comparing areas of regular and irregular shapes
- Using units of measurement: time, length, mass, capacity and temperature
- Chance and data representation
- Developing subject specific vocabulary.

How you can support learning

- Discuss what your child learnt at school.
- Read every night for at least 15 minutes. Students are able to fill in an optional home reading log.
- Practise times table fluency at home.
- **Google Classroom** will have regular activities that we have completed. Please use this to help reinforce the concepts that have been taught in class.
- **StudyLadder** - weekly activities will also be available during the term.
