

# Maribyrnong Primary School

## Year 4 Term 4 Overview

### Term 4 Learning

Welcome to the Term 4 learning for the Year 4 *Fungi* unit. This term we will be learning about **how changes in technology have impacted our daily lives**. Students will be exploring this big question through two assessable outcomes:

- Develops questions to investigate
- Locates and collects information from different sources, including observations to answer inquiry questions

Literacy activities will focus on:

- Writing narrative texts and creating poetry
- Journal entries and reflections
- Spelling, punctuation, editing and grammar

Numeracy activities will focus on:

- Solves simple purchasing problems
- Collecting data, constructing data displays, and evaluating the effectiveness
- Developing subject specific vocabulary.

### How you can support learning

- Read every night for at least 15 minutes. Students are able to fill in an optional home reading log located on Fungi.
- Practise times table fluency at home.
- **Google Classroom** will have regular activities that we have completed. Please use this to help reinforce the concepts that have been taught in class.
- **Studyladder** - weekly activities will also be available during the term.

### Key Dates and Activities

**Monday 25 October:** Students return to school years P, K, 1, 2, 6

Monday 1 November: : Students return to school years 3, 4, 5

**Friday 17 December:** Last day of the school year

Please note that other key dates will be communicated with families via email based on evolving school plans in line with COVID requirements.
