Year 3 Term 4 Overview

Term 4 Learning

This term, our **Inquiry unit** will explore **how and why people celebrate and commemorate**. Students will investigate the significance of different celebrations and the ways in which various groups express their traditions and values.

Literacy

Our Literacy learning will focus on:

- Re-reading and editing writing to ensure appropriate vocabulary, structure, and meaning
- Developing stronger sentence construction and grammar
- Continuing our **Sounds Write** program
- Exploring **Persuasive text type**, learning to convince and share opinions clearly

Mathematics

In Mathematics, students will be exploring:

- **Time** -reading clocks, understanding calendars, and daily schedules
- **Probability and Chance** — using everyday language to describe likelihood
- **Consolidation** of key number concepts including **money, shapes, addition, subtraction, multiplication, and division**

How You Can Support Your Child's learning

Reading

Read with your child each night and ask questions like "What might happen next?" or "What does the author mean?" to build comprehension.

Maths

Practise times tables regularly to strengthen number fluency. Encourage your child to handle coins, pay for small items, and check change to build confidence with money

Read both analogue and digital clocks with both 12-hour and 24-hour time

Goal Setting

Encourage your child to set small, achievable goals for the term. These might be **academic goals** (such as improving handwriting) or **personal goals** (like remembering to pack their bag each morning).
