## Music Overview- Term 4 2026

### Term 4 Learning – Music, Band and Choir

This term we will focus on:

**Kindergarten** - sharing ideas, feelings or observations about the music we encounter or perform, recognising the musical elements (dynamics, tempo, pitch, timbre), in-tune singing, beat/rhythm, playing/moving in time and investigating the four instrument families.

**Year 1** – identifying where they experience music, beat/rhythm, in-tune singing, inner hearing, texture, ostinatos, playing/moving in time, using the elements of music to improvise and compose music.

**Year 2** – exploring where, why and how people experience music, beat/rhythm, texture, ostinatos, playing tuned/untuned percussion instruments and keeping in time, composing and performing to peers, and learning about the music staff/stave.

**Year 3** – how the elements of music can be used in the music they compose, perform or experience, playing tuned/untuned percussion instruments and keeping in time, developing aural skills when composing and performing to peers.

**Bunji** – developing rhythm skills, making/performing music, moving/playing in time, and responding to music.

**Ngurra** – manipulating the elements of music to compose, perform and record music to accompany a children's book using tuned/untuned percussion instruments.

**Year 5 and 6 Bands** – working through a varied repertoire of new music, notes, and music theory. Both bands will be performing at our end of year concert.

**Choir** – Interested students from K-6 are welcome to attend. We will be learning some new songs ready for our performance at the end of year concert.
